

# BROWNSHOES IN ACTION COMIX

"The kind real aviators like"

By Lt. Ward Carroll

VF-3, 14's new safety officer wants his term to be characterized by "innovation." . . .

"Gee, it's the middle of a no-fly day, and I have this urge to thoroughly preflight an ejection seat."

"Yeah, me too. Let's get down to the hangar bay."

"We'll start by changing everyone's callsigns to important safety tips . . ."

"Hey, 'Head-on-a-Swivel!' have you seen 'Never-Gets-Complacent?'"

"No, 'Fly-the-Brief,' isn't he airborne with 'Centered-Ball-to-Touchdown?'"

"Finally, we can disguise NATOPS quizzes as letters from home . . ."

Dear Joe,  
I miss you lots. The dog is fine. What is the max CV landing weight for your airplane?  
Love,  
Betty

"Well Sir, what do you think?"

"Have you been Personnel Officer yet?"
